

President's Message

Wow! What happened to 2019. The year went by so fast. I hope you all had a wonderful holiday season with friends and family.

Last week, your Chapter board met to discuss our strategic planning for 2020, schedule of events, educational opportunities and neighbor island events. We also finalized plans for KBIS in Vegas, the biggest Kitchen & Bath show for our industry (again combined with the International Builders Show for Design and Construction Week). Each of us will be tasked to attend a full day of Chapter training, meeting and learning from other officers throughout the country, and attend seminars and educational sessions. Our goal this year is to bring two guest speakers from NKBA (one for Oahu and one for a neighbor island). We will also be bringing KBIS home for a recap of the new trends and products. We will be showcasing KBIS (slideshow, pictures, etc) at our Kick-Off Event on February 19th at Daltile Showroom. If you've attended any of our Kick-Off Events in previous years, you know it's a party with lots of food and drinks, fun games, networking, and door prizes galore. More information coming soon.

I would like to extend our sincere thanks and gratitude to our 2019
