

## Welcome to the New Year!

JANUARY, 2019

### President's Message

Congratulations on making it through 2018 and the hectic holidays. I can't believe we are almost into the second month of the year. A couple weeks ago, our Chapter had its annual Kick-Off Event at Ferguson Showroom and it was one of the best kick-off meetings we've had in recent years. From the social media game & scavenger showroom hunt to the networking and raffles, we couldn't have asked for a better turnout and experience. I would like to thank Roseann, our Program's Chair for creating the event game and for coordinating the night with our event/venue host Ferguson Bath, Kitchen & Lighting Gallery. Also a huge thank you to our 2019 Sponsors and Event Sponsors for donating the swag for the raffles (see below).

We have a great year planned for our Chapter. In addition to NKBA's Kitchen & Bath Industry Show (KBIS) and NAHB's International Building Show (IBS) in Vegas next month, we have some exciting and fun CEU opportunities, neighbor island events, networking fun, and various get-togethers with our industry partners BIA Hawaii, ASID Hawaii, IIDA Hawaii, AIA Honolulu and our students at Chaminade University and Honolulu Community College. Please make sure to bookmark our Aloha Chapter website for current information and calendar of events. We can't wait to see you at our next Chapter meeting!

Aloha,  
Cris Johnson, Hawaii Kitchen & Bath  
2018-2019 NKBA Aloha Chapter President

We have two seminars for homeowners to attend: Condo Kitchen & Bath Design (Saturday) and Kitchen & Bath Trends (Sunday). Thank you members for volunteering your time to help educate potential customers on their next project!

**Introducing Our New Committee**

The Neighbor Island Committee was established this year to bridge the gap with our members who live and work on the islands of Hawaii, Maui, and Kauai. The committee members will be liaisons with our Program's Chair and the rest of the council to help coordinate events, meetings, and CEU opportunities on the other islands. Karri Hogan, CKD of Roy Lambrecht Woodworking will represent Kona, Michelle Turner, UDCP of Poggenpohl Kitchens Hawaii will represent Maui, and Andrew Lui-Kwan of LG Hausys will represent Oahu. This year, we will have at least two neighbor island events (see calendar). If you would like to get involved with this committee, please contact us [here](#).

The Chapter Leadership Committee provides a link between the grassroots of the Association, its chapters, the National Board of Directors and National staff. They are charged with monitoring member needs at the chapter level and conveying these needs to the Board of Directors and National staff. CLC members are available to assist your chapter with questions and will work with National to address your needs. And we are lucky enough to have our very own Roseann Freitas on this National committee. If you have any questions or concerns about NKBA, please feel free to contact Roseann via [email](#).
