Plan Today for an Active Lifetime of Independence Tomorrow

Presenter: Curt Kiriu, CAPS, CGR, CGP, ILS See below

NAHB CAPS Designees of the Year 2014

From: CK Independent Living Builders, President

Description:

- What is Aging-In-Place, Independent Living, Universal Design, Barrier-Free and Visitable; and what does it have to do with me or my client?
- Learn various design modification concepts that are simple, inexpensive to moderate in cost; which may make a home accessible, safe and comfortable for independent living.
- What Universal Design products can enhance your home yet be transparent in design and use.

Curt Kiriu is a member of the BIA (Building Industry Association) of Hawaii, and the NAHB (National Association of Home Builders). He is a Certified Aging-In-Place Specialist and an approved NAHB instructor for this course and Universal Design/Build. He is the 2014 NAHB Certified Aging-In-Place Specialist of the Year.
