BIA & NKBA Design Competition Deadline to Submit is June 30th

President's Message

It's Summer! My favorite time of the year....carefree attitude, spending time with family, and enjoying the longer days of sunlight. While school is out and travelling is in full effect, our industry is also bustling with activity. It seems as if homeowners are taking advantage of the time to plan and renovate before we start the last quarter of the year.

The Aloha Chapter has a full schedule ahead as well. This week, we take the NKBA on the road to the Big Island for a CEU/Networking event. This neighbor island event is long overdue (it had to be re-scheduled last year due to volcano and weather). This year, it will be held in Kona. Another event is being planned this year for Maui in September. More information will be coming shortly.

In August, the NKBA will be presenting a seminar for homeowners at the BIA Big Summer Home Building and Remodeling Show, August 9th- 11th. If you would like to volunteer on the panel (Saturday Aug 10th 5:30pm) please contact us. More information will be posted on our website.

I would like to thank our Sponsors for their continued support throughout the year. A Sponsor Spotlight will be coming soon, highlighting our sponsors, their new products, industry and company news, etc.

Please note: The deadline is June 30. All project forms and payment must be received by this date in order to be judged. Supporting documents, (photos, plans, budget) must be received by the final deadline. If you are submitting a project for multiple categories and divisions, each is considered a separate application, although some exceptions do apply. More information can be found on the BIA-Hawaii website [here](#).
